BOOK SYNOPSIS

The revolutionary work of graphic storytelling that inspired a new art form. Will Eisner was present at the dawn of comics. In the 1940s, he pushed the boundaries of the medium with his acclaimed weekly comic strip *The Spirit*, and with the publication of *A Contract with God* in 1978, he created a new medium altogether: the graphic novel. It was unlike anything seen before, heralding an era when serious cartoonists were liberated from the limiting confines of the comic strip. Eisner's work was a shining example of what comics could be: as inventive, moving, and complex as any literary art form. Eisner considered himself "a graphic witness reporting on life, death, heartbreak, and the never-ending struggle to prevail." *A Contract with God* begins with a gripping tale that mirrors the artist's real-life tragedy, the death of his daughter. Frimme Hersh, a devout Jew, questions his relationship with God after the loss of his own beloved child. Hersh's crisis is intertwined with the lives of the other unforgettable denizens of Eisner's iconic Drowsie Avenue, a fictionalized version of the quintessential New York City street where he came of age at the height of the Depression. This centennial edition showcases Eisner's singular visual style in new high-resolution scans of his original art, complete with an introduction by Scott McCloud and an illuminating history of Eisner's seminal work. Now readers can experience the legendary book that launched a unique art form and reaffirmed Will Eisner as one of the great pioneers of American graphic storytelling.

A CONTRACT WITH GOD - Are you looking for Ebook *A Contract With God*? You will be glad to know that right now *A Contract With God* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *A Contract With God* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *A Contract With God* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *A Contract With God*. To get started finding *A Contract With God*, you are right to find our website which has a comprehensive collection of manuals listed.
