BOOK SYNOPSIS

If you're eager to share the wonders of life in the real world with your children, to help them explore a world larger and more exciting than schools' four walls and rigid programs can offer, let me share my unschooling experience with you. Thinking about homeschooling? Curious about unschooling? Walk with me as I share the five paradigm-changing ideas about learning and living that freed my family from the school schedule. With over ten years of experience, I have come to see how key these ideas were, and still are, to our unschooling lives. With stories, examples, and clear language, *Free to Learn* explores the depth and potential of unschooling. Learning freely, living joyfully.
